

# Brookside Soccer Club

## The Elite Program

Promoting transition within Brookside's Soccer Community!

*The Elite Program* is designed to unify BSC's soccer community by delivering experienced soccer coaches to the BSC Recreational teams. Experienced coaches will assist teams through a child-centered environment that promotes technical and tactical development that follows BSC Competitive Soccer Curriculum. Teams registered to the program will receive a personalized program based on the collective need of the group. The coaches will also help teams foster core values that will allow them to continue growing, as players and individuals. Program is available for Grades 1<sup>st</sup> through 8<sup>th</sup> for both girls and boys.

Coordinator: Eddy Leiva and Tato Chiapparro
