

**Return to Play Reminders.**

1. **Face Coverings.** Face coverings must always be worn by all visitors to the facility. Athletes and referees do not have to wear face coverings while active but must wear a face covering coming to and from the facility.
  - a. Visitors must wear a face covering while spectating, even if social distanced.
  - b. Coaches must wear a face covering while coaching, even if social distanced.
  - c. Staff must always wear a face covering.
  - d. [Click here](#) for exceptions to KC's face covering policy mandate.
2. **Social Distancing.** Social distancing must take place whenever possible. This includes athletes & coaches on the bench as well as spectators on the sidelines.
3. **Safety.** Swope Soccer Village's number one priority is the safety of its visitors. With that said, the facility is taking the following steps to provide a safe environment.
  - a. **Staff.** All facility staff members are required to wear a face covering. They have also been trained on how to properly utilize PPE.
  - b. **Cleaning.** Cleaning efforts have and continue to be focused on areas of high traffic (i.e. restrooms, entry/exit gates, etc.). We will continue to regularly clean the facility with disinfectant designed to combat COVID-19.
  - c. **Sanitizing.** Hand sanitizing pumps are installed at each entry/exit point to the facility. These remain stocked and we encourage use for all visitors when they enter and exit the facility.
  - d. **Signage.** Signage is installed at each entry/exit point to the facility. These signs are there to reinforce the importance of face coverings, social distancing, proper hygiene & more.
4. **Help.** These guidelines have been put in place for the safety and wellbeing of everyone involved. We kindly ask that you do your part to help keep our environment safe.

**Important Practice Reminders.**

1. **Standards.** In our bias opinion 😊 Swope Soccer Village is the most professional training facility in Kansas City. We pride our ourselves on being pristine & keeping the facility in order. With that said, we are in this together... so we kindly ask you to clean up & move goals back to their original locations at the end of each training. 11v11 goals should be in their normal place & 7v7/9v9 goals can be placed in their playing location or against the same side of the fence as the player benches.
2. **Weather.** [Click here](#) to sign-up for email &/or text alerts. Lightning delays will be communicated here & over the PA system on-site.
3. **Field Lights.** You can expect field lights to turn on exactly 15 minutes prior to sunset. Sunset times can usually be found on your preferred weather app.
4. **Respect Field Time.** Please be cognizant of rentals before & after your training. Each renting party has paid for a specific time slot. No one likes when their training is interrupted or cut short by the next team jumping on the field early, so please don't do that to others.
5. **COVID.** Our most up-to-date Return to Play Guidelines are below. Keep encouraging all players & families to wear masks, social distance & sanitize/wash hands whenever possible. Keeping our environment safe has & remains our number one priority.
